

# What is the College Bound Scholarship?

College Bound is an early commitment of state financial aid to eligible students who sign up in middle school and fulfill the College Bound pledge.

**College Bound** combines with other state financial aid to cover average tuition (at public college rates), some fees, and a small book allowance. You can earn an approved certificate or degree at over 60 eligible schools in Washington. This includes public and private two- and four-year colleges, technical colleges, and private career schools. Find a list of participating schools at [www.collegebound.wa.gov](http://www.collegebound.wa.gov).
