

# College Bound SCHOLAR

---

*Student's Name*

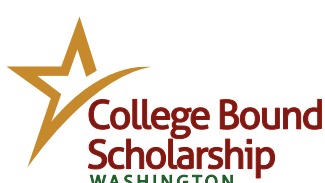

**Congratulations! As a College Bound student, you have already taken the first step in preparing for your education after high school.**

### **Scholarship Requirements**

To receive the scholarship for college, you need to fulfill your College Bound Pledge to graduate from a Washington State high school or approved home school program with a cumulative 2.0 GPA or higher and have no felony convictions, and you must:

1. Meet the scholarship award income-eligibility requirements. When you apply for financial aid, your family's income must be within 65% of the state's median family income (see the chart at [readysetgrad.org/cbs-mfi](http://readysetgrad.org/cbs-mfi) for the dollar amounts. Please remember that the amounts change each year).
2. Meet the program's state residency requirements.
3. Attend college within one year of high school graduation. College Bound is a four-year scholarship (eight semesters or 12 quarters) that you must use within five years of high school graduation.

Visit [www.collegebound.wa.gov](http://www.collegebound.wa.gov) to find information on fulfilling your scholarship pledge, preparing for college, and applying for financial aid. Talk to your school counselor and family about your commitment to attend college so they can support and encourage you along the way!
