

Dear Parent or Guardian,

Your student may be eligible for the College Bound Scholarship program.

The College Bound Scholarship is an early commitment of state financial aid to eligible students who complete the application in middle school, fulfill the scholarship pledge, and meet income requirements in college. For more information about the College Bound Scholarship, you can visit www.collegebound.wa.gov.

Our school has started an application for your student, but you will need to complete the form to complete the application process. The College Bound Scholarship office will be sending the form to your home address in the next few days. You should expect to see it come directly to you, so keep an eye on your mail.

Be sure to provide all required field(s) on the form and *double check that both you and your student sign the back side of the form*. If any information is missing, the application will not be able to be completed and you will have to do the form again.

You can then return the form to the address below. Note that the address will also be listed on the back of the form.

If you have any questions or need assistance, please email the College Bound office (collegebound@wsac.wa.gov). Email is the best way to reach the office at this time. If that is not an option, you can leave a voicemail at 888-535-0747 (option 1) and someone will get back to you.

Stay well,
